

## SHARON PAIR 60 YEARS WED ON MARCH 9

Mr. and Mrs. Arthur G. Hall of Sharon celebrated their sixtieth wedding anniversary on Saturday, March 9.

Their six children, Mrs. Norman Kay, Vondorf, Mrs. Roy Haines, King, Mrs. Albert Wilton, Yonge St., Newmarket, W. A. Hall, Queensville, Fred Hall, Sharon, and George Hall, at home, were all present for the celebration.

Also present were 15 grandchildren and six great-grandchildren. Mr. and Mrs. Hall are both in good health and attribute their long life to plenty of work and clean living.

## RED CROSS OPENS MEMBERSHIP DRIVE

The Newmarket branch of the Red Cross is conducting a campaign for membership in place of its previous campaigns for funds at this time. Pointing out that its membership enabled the Red Cross to aid war sufferers, prisoners of war and men and women in the armed forces during the war years, Mrs. W. R. Stephens, president, urges that the Red Cross be kept strong in peace "for the continuing benefit of the Canadian people".

Mrs. Stephens continues: "Where the Red Cross membership helped save lives; during war, it can save lives in peace through the new blood transfusion service and through the outpost hospitals on our frontiers. It can bring mercy and comfort to our gallant and disabled veterans and to our crippled children. It can bring health, happiness and relief to our people generally through the society's many humanitarian services."

Saying that it was not proposed to conduct a canvass for funds this year, Mrs. Stephens emphasized the need for a "large and virile membership in order to do for our own people in peace what we were privileged to do for them in war."

The following can be contacted for membership, H. E. Lambert, Mrs. Stephens, Mrs. Inez Spence, Mrs. G. E. Case, Mrs. A. J. Gody, Mrs. W. L. Bosworth, Mrs. W. M. Cockburn, Mrs. J. S. Booth, Mrs. H. Molyneux, Miss L. Starr.

## IN THE FIGHT

## Impromptu Talks Feature Lions Club Open Night

It was an "open night" at the Newmarket Lions club meeting in St. Paul's church Monday. The program was under the direction of a committee chaired by R. L. Pritchard. Three past presidents and the editor of The Newmarket Era and Express were impromptu speakers.

Without any warning other than that they would be called upon to contribute in some way, Fred A. Lundy was asked to speak on how he would run The Era and Express, Dr. C. E. Vander Voort was asked to speak on men and monkeys, Alex. Eves

## St. John's School Wins Both Trophies 'Tom Kirk' Night

St. John's school took both cups, one for the relay races and one for the highest total of points, at the annual Tom Kirk night at the Newmarket Memorial arena Monday night.

Thanks to a sudden spell of frosty weather, the ice was in good shape and the annual school children's event was able to proceed after previous postponements. The south side of the arena was nearly filled with parents and friends of the contestants.

Following the usual custom, vouchers to be drawn on Newmarket merchants were given as prizes to the children. The merchants are reminded that the vouchers may be redeemed on application to Principal H. A. Jackson, treasurer of the event.

The hockey team captained by Jerry Hugo won top honors, defeating the team captained by Ken Burke 2-0. The hockey teams were made up of boys from all four schools.

The following is the result of the races:

Boys under seven years, Donald Bone, Donald Jackson, Garry Bugler, Billy Mills; girls under seven years, Colleen Cain, Donna Casey, Winnie Smith, Judith Carter;

Boys seven years, Billy Cain, John McGuire, Ross Graham, Jimmie Curtis; girls seven years, Helen McCabe, Marion Gibson, Myrna West, Patsy Cox;

Senior boys, four times around the arena, Ronald Coveney, Bob Rose, Lowell Waller, Jack McCann.

## Should Continue Federal Export Bodies Forum Says

By Mrs. W. H. Wilmet,  
Press Secretary,  
Newmarket East Forum

The Newmarket East Forum met Monday evening at the home of Mr. and Mrs. Ivan Eves. A good broadcast was given on "who will export our farm products," originating from Winnipeg. Cal Strange of the Searle Grain Co. taking the side of private companies and Mr. Weston of the wheat pool for government boards as an intermediary.

Until producers are efficiently organized, the forum thought government agencies had done a fair job during war time and could continue. The profits made by private concerns, especially in wheat, were decried. According to the United Nations organization, we must have a planned economy in order to have security. It was agreed that producers should know more about how dairy products of the east are sold on the export market.

All members voted in favor of increasing the extraction rate of flour from 72 percent to 80 percent in order to ship abroad flour to make three million extra loaves of bread a day for the next six months. Bread made from such flour would not be as white but more nutritious. Daylight saving time was thought to be a decided hindrance to increased food production.

Disapproval of the production dumping of tin cans and rubbish on our waysides was voiced and such action should be severely censured by the proper authorities.

The larger unit of school administration was again discussed. Mrs. B. McNeil stated that in her former home district of Wainwright, Alberta, some 90 schools were under one board with economy in buying supplies, fuel, etc. Better libraries, improved buildings, transportation facilities, health services and recreational advantages are all to the credit. Loss of local control and a supposed higher tax rate seemed to be the main argument against such a proposal.

The main topic for the meeting next week at the home of Mr. and Mrs. Wilmet is "Can The World Be Fed?"

## ENROL NINE BROWNIES AT SPECIAL SERVICE

Capt. Ivy Maddocks, Salvation Army Girl Guide director, Toronto, enrolled nine Brownies at a candlelight service in the Salvation Army Citadel Friday evening. Those enrolled were Susan Westcott, Diane Lockhart, Donna Stickwood, Muriel Simmerson, Barbara Kirbyson, Elva Koshel, June Blair, Shirley Blair and Cherith Pipher.

Brown Owl Edith Leach, Bedford Park Brownie pack leader, Toronto, accompanied Capt. Maddocks and assisted during the evening.

Capt. Maddocks gave an outline of Brownie activities and Brown Owl Leach taught the girls a new song. Capt. Maddocks taught them a new game.

Before the Brownie enrolment, Capt. Maddocks enrolled Eileen Skinner as a Girl Guide and she will be Tawny Owl of the pack. A number of parents assembled to witness the service.

was asked for suggestions on how the Lions club could raise funds, and John Meyer was asked what is more valuable, the doughnut or the hole.

The club voted to give the Newmarket Community Recreation Council the use of what facilities the club possessed. Mr. Pritchard and R. C. Morrison reported that welfare work was caught up with to date.

Guests at the meeting were H. F. Austin and Floyd Perkins, members of the Richmond Hill Lions club, Robert Brooks, Dick Hilliard and Harold Murray.

## POWER OFF NORTH OF QUEEN, MILLARD

The power will be off in Newmarket Sunday from 1.30 p.m. to 4.30 p.m. for repairs and changing poles.

The areas affected are north of and including Millard Ave. west of Main St., including the west side of Main St., and north of and including Queen St. on the east side of town. The east side of Main St. between Millard Ave. and Queen St. will not be affected.

## H.S. BD. TOLD NO AGAIN ON BUILDING PLAN

Newmarket high school board heard a letter at its regular meeting Monday night advising against any further steps in the proposed addition for the high school. The letter, signed by Norman Davies, inspector of agriculture classes, said that a consultative committee was reporting on the formation of high school areas in York county and that until the report was in, it was inadvisable to plan for additions since it was likely the report would affect the enrolment of the school.

"It seems the department of education has changed its attitude toward small schools," said W. J. Geer, chairman of the board. "The department appears to be adopting the practice in western Canada of having one large school for a wide area instead of a number of small schools scattered about."

"Good transportation is provided to bring the pupils from as far as 14 miles from the school. It reduces absenteeism and provides for better teaching facilities."

"It appears to me that there is nothing more we can do about the proposed wing," said G. L. Manning.

A partial text of the letter is: "I note that the board is interested in proceeding with the erection of the proposed wing to accommodate shopwork, home economics, and agriculture. I realize that you are likely to have increased attendance and your present accommodation will probably be pressed to the limit."

"Owing to the fact that the consultative committee concerning larger high school areas in York county is now making a survey of the situation, and that it may be that the area served by Newmarket might be changed by the report of the committee, it does not seem advisable to proceed with the building program until the committee has made its report. Should your territory be enlarged, you might need to add an additional classroom or two."

"If after further survey by the principal and the board, it seems certain that no change in the high school area would materially affect the enrolment, further recommendations concerning construction of the building might then be considered."

## Army Takes Hill Into Camp, Wins 5-2 Despite Soft Ice

Newmarket army proved again that it is the team to beat in North York. It came in with a 5-2 victory over the Combines, winners of the Richmond Hill and district mercantile league. The game was played Tuesday evening at the local arena. Ice conditions made the going tough for both teams.

The feature of the evening's play was the stellar work of both netminders. Capt. "Bing" Caswell for the army was particularly brilliant. His rival, a former Aurora junior star, Frankie Carr, also got in on the limelight, making some great saves to keep the army count down.

The army drew first blood with an early opening period goal, "Moe" Mahas doing the snipping. The teams battled through a scoreless middle session.

The Army put the skids under the visitors early in the final chapter, taking over a command lead as "Red" Ingram, Jack Life and Terry Biocchi rushed in to build up goals. The visitors replied with two quickies, one coming from the stick of Kerr and the other being recorded by Bill Bowen on a pass from N. Cosgrove. Biocchi broke loose near the end of the period to notch the final marker.

## ENGLISH BRIDE ARRIVES

Mrs. Douglas Bennett, wife of Sgt. Douglas Bennett, arrived from England on the Leiffia and arrived in Newmarket on Wednesday. She is making her home with Mr. and Mrs. Paul Bennett, Bosford St. Sgt. Bennett is expected home soon.

## LABOR MUST UNITE, SPEAKERS DECLARE

Oliver Hodges and Ernest Evans were guest speakers at the open meeting of Local 20, N.U.A.F.W., at the Boy Scout Hall Tuesday. Pres. Lorne Paynter was in the chair.

"It is a dull student of public affairs who cannot see that labor is on the march," said Mr. Hodges, who is leatherworkers' organizer for the C.C.L. "The time is ripe when all working men must solidify themselves to stand united to obtain their rights as the true creators of all merchandise."

Mr. Evans, 30 years a trade unionist, who spoke on behalf of Pat Conroy, also stressed the need for immediate and complete organization of labor and outlined briefly the benefits of women's auxiliaries in the trade union movement. Both speakers were well received.

Brother Erstad and Past-President Penrose both spoke briefly before the close of the meeting.

## Rev. Dr. A. E. Runnells Accepts New Position

After nearly four years, Rev. Dr. Arthur E. Runnells, who was minister at Trinity United church up to June, 1942, has completed his engagement at St. Enoch's United church, Toronto, and has accepted an invitation to serve as minister's assistant at Timothy Eaton Memorial church, Toronto.

## POSTPONE MEETING

The regular monthly meeting of the Newmarket board of health scheduled for Tuesday morning was postponed.

## GO TO OTTAWA TO NEGOTIATE ON CAMP SALE

A delegation from Newmarket, made up of the chairman of the Newmarket town council industrial committee, Joseph Vale, chairman of the property committee, George Byers, chairman of the finance committee, Deputy-Reeve J. L. Spillette, and chairman of the roads and bridges committee, Frank Bowser, left for Ottawa Tuesday night to interview federal authorities on the disposition of the Newmarket military camp.

The camp must report "nil personnel" by the end of this month. After that time, the only personnel will be a rear party working out of another camp.

At a meeting of council recently, the committee was asked to negotiate for the purchase of all the camp property including buildings. The town owns the fair grounds but not the adjoining property. An agreement between the town and the federal authorities calls for the restoration of town property to its "original contour" when the camp is closed.

The Newmarket delegation has arranged to meet with the York North federal member, J. E. Smith, who will be in Ottawa at the same time.

It is expected that the delegation will be back by Friday. The Newmarket town council has a regular meeting Monday night. It is expected that the budget may be brought down by the finance committee at this meeting.

## CELEBRATE SILVER WEDDING ANNIVERSARY

Mr. and Mrs. Rudy Renzius celebrated their silver wedding anniversary Tuesday, March 5. Forty guests, all old friends from Newmarket, Toronto and Brampton, were present for the anniversary party at the Renzius home on Prospect St.

## FRIENDS SUPPORT HELP FOR EUROPE

The Newmarket Friends are supporting an appeal made through the Canadian Friends War Victims' Relief for Europe committee for aid in Europe. Of the 40 tons of cod liver oil allocated to this committee for use in Europe, enough has been raised to pay for five tons. Contributions will be received by the treasurer, Harold Patterson, the clerk, Mrs. Milton Keffer, or the service committee chairman, Mrs. M. McKimming.

## N.H.S. GIRLS TAKE BASKETBALL CROWN

Newmarket high school girls' junior and senior basketball teams won against Richmond Hill teams on Wednesday. Because of the double victory, both Newmarket teams have taken the league championship. The final standing of the teams is:

Team	W	T	L	Pts.
Senior	4	0	0	8
Newmarket	4	0	0	8
Richmond Hill	2	0	2	4
Aurora	0	0	4	0
Junior				
Newmarket	2	1	1	5
Aurora	2	0	2	4
Richmond Hill	1	1	2	3

The score of Wednesday's senior game was 38-18. High scorers were Florence Walker and Mary Shanks for Newmarket and Margaret Ransom for Richmond Hill. Ruth Hill played an outstanding game as a guard. The score of the hard-fought junior game was 12-9. The highest scorer was Arlene McTavish.

Classifieds usually bring results.

## Mrs. Jas. Sutherland Has 98th Birthday Celebration

A resident of Newmarket for over 70 years, Mrs. Jas. Sutherland, Prospect St., celebrated her 98th birthday on Saturday, March 2. Mrs. Sutherland, who is enjoying excellent health, received a large number of friends and neighbors on Saturday afternoon and she was also the recipient of numerous bouquets, plants, and dozens of cards. On Sunday, March 3, Mrs. Sutherland's immediate relatives gathered for a birthday party. Those present were her only daughter, Mrs. Ruby Cody, her grandson, Donald Cody, and Mrs. Cody and three great-grandchildren, Jane, Nancy and John Cody, two nieces, Misses Muriel Gray and Anna Brown, and a nephew, Ed. Cochenour, all of Toronto.

Mrs. Sutherland received telegrams from Hot Springs, Ark., and Lakewood, Florida.

## PLENTY OF USE

There need be no question of how to dispose of the camp property should it be acquired by the town of Newmarket. The buildings have a multitude of uses. Care will have to be exercised in seeing that the buildings are used to the best advantage.

One suggestion of note is that made by the Newmarket public school board. The board is requesting consideration for the use of one or two buildings which could be moved to the Stuart Scott grounds where they could be converted into manual training and domestic science rooms.

An advantage is that the buildings, being separate from the school building proper, would be more readily accessible for public use.

From the board's point of view, however, anything that provides additional teaching room is important. The classes in all three public schools are crowded, with over 40 pupils in many rooms. The use of camp buildings for manual training and domestic science would free two classrooms for other teaching.

## TIME TO "TALK TOUGH"

Judging from recent headlines, the United States and Great Britain have begun to "talk tough" to Russia. It is about time. If a little tough talking had been done long before, things wouldn't be so muddled as they are now. Unfortunately, the ability to talk tough depends on the means to back up such talk and before the Second Great War, statesmen were inclined to forget that point, an omission which Hitler and the Japanese used to their very great advantage.

Winston Churchill must have had this thought in mind when he proposed a "union of hearts based upon conviction and common ideals" between the United States and the British Empire. These two entities make the only combination that can effectively match Russia in strength and resources.

It is a natural combination. Though separated by geography, the British Empire and the United States are one in their recognition of the supreme importance of the individual. Their governments are founded on this recognition.

Call such a combination a "power-bloc," a deliberate provocation of a hyper-sensitive Russia, or as one American senator said, a knife across the throat of the United Nations Organization. The fact remains that a situation exists in Europe and Asia which if not checked and checked now, will eventually lead to the loss of what opportunities for world peace now exist.

The United Nations Organization can never be successful if dominated by any one nation or group of nations, particularly so if that nation or group of nations attempts to foist on other nations a type of government not wanted by them. There will be no compromise nor arbitration when one nation is stronger than its fellows. Strength must be matched by strength or else all nations reduced to one common denominator of military impotency.

Until then, there is nothing immoral in tough talk. It is much to be preferred to leaning backwards for fear of "offending." Once started, the backwards leaning process is apt to continue until the leaner is flat on his back and in no condition to offer further objection. Let's have no doubts. There are limits to tolerance of another's viewpoint. When they are reached, it's time for the other man to back up.

There is no reason why Russia can't share a neighborly back fence with other nations. Russia never will, however, as long as it considers as its divine prerogative the right to arrange things to suit Russia and the devil take the hindmost. Less emphasis on national security and more on international is the prescription for world peace. Some "tough talk" will emphasize that fact and none too soon.

## RECREATION COUNCIL

When a group of people sit down together and attempt to organize to carry out an idea which is entirely new, progress is bound to be slow. They must find their way as they go along. That is what the Newmarket Community Recreation Council has had to do. Here is something that is new to the town. There is no precedent by which to be guided. The activity of the council must be made to conform with existing conditions in town. The council must tailor to wear, there is no fitting of a ready-made suit.

The community recreation council exists to encourage and stimulate recreation (by recreation, everything from baseball to tating) in Newmarket. It proposes to do this, not by interfering with existing activities, but by attempting to control or direct existing activities, but by aiding existing activities when asked, by providing more recreational facilities, by encouraging expansion and helping to accomplish it. There are many in Newmarket, by far the majority of the citizens, who have no access to recreational facilities. The response to the Home and School Association's handiwork classes is indicative of how eagerly such opportunities are welcomed. A parallel is found in the Lions club summer program which during a six-week period had an average attendance of over 150 public school children. It is to make more widely available such opportunities that the Newmarket Community Recreation Council was formed.

It has not been easy to get underway. The idea of an agency to do this work is new. Difficulties impossible to foresee have arisen. Misunderstandings, natural to such a young project, have

complicated the work of the council. Yet there has been definite progress. Since the formation of the council was authorized by the town council, an executive has been named, a constitution adopted, a policy developed. The Newmarket Community Recreation Council has been registered with the Ontario government. Committees have been formed and have been active. A budget is being prepared.

It has taken much time and co-operative effort for the council to reach its present position. It stands ready, however, to apply to the municipal council for funds to expand its work. It is ready to employ a recreational director for summer work. With the confidence of its members behind it, the Newmarket Community Recreation Council believes, provided it is given the support of the citizens and the municipal council which authorized it, that it can provide Newmarket with organized recreational facilities which will benefit everyone, regardless of age or sex.

## ROBINS ARE BACK

Now that the first robin has been received with due ceremony, with the backing of the Royal Ontario Museum bulletin, we refute the contention that the robin is the first of the migratory birds to return north. According to the museum, horned larks come first, in February, and are followed in March by crows, robins, song sparrows, bluebirds, killdeer, redwings, grackles, meadow-larks, Canada geese, marsh hawks, phoebes, flickers and great blue herons in approximately that order.

The Royal Ontario Museum bulletin continues: "Naturalists at the Royal Ontario Museum of Zoology report that about one day is required for birds to reach Hamilton from London, nine days to cover the distance from London to Toronto, ten days to Ottawa, 12 days to Collingwood, 14 to Sault Ste. Marie, 16 to Fort William, and 33 to Cochrane.

"An additional influx during April brings the birds which have wintered in central America and northern South America, and the migration reaches its peak in May, with the arrival of the insectivorous birds which have spent the colder months farther south in South America.

"The 16 birds which reappear in March augment our permanent residents and winter visitors, and lend color and music to a landscape that has been particularly quiet throughout the long months of winter."

Not wishing to be too dogmatic about it, however, the museum bulletin adds that these birds are the ones which have mostly wintered in an area from the Ohio valley to the Gulf states and their appearance here varies according to the season "their ultimate arrival a dependable natural phenomenon associated with the advent of spring."

## THERE, TOO, GO I

We doubt if there has ever been anything written which was more descriptive of the work accomplished by the Red Cross than the following poem. There, Too, Go I.

Wherever war with its black woes  
Or flood, or fire or famine goes  
There, too, go I!

Wherever strength and skill can bring  
Surcease to human suffering  
There, too, am I!

I go wherever men may dare,  
I go wherever woman's care  
And love can live . . .

If earth in any quarter quakes  
Or pestilence its ravage makes  
My help I give.

The cross which on my arm I wear,  
The flag which o'er my breast I bear  
Are but the sign;

I am the ambassador for you  
I do what you would surely do  
If you were there!

The Newmarket branch of the Red Cross, in common with all other Red Cross branches in Ontario, is campaigning for increased membership. The strength of any organization depends on the size and activity of its membership. Though much of its wartime work is done, the Red Cross knows no relief from the heavy burdens it has shouldered "wherever strength and skill can bring surcease from human suffering." The Red Cross is at work through its blood transfusion service, its outpost hospitals, among war veterans and crippled children.

The Red Cross is not asking for funds. It is asking for members, for helpers, so that its great work may continue with renewed vigor. Through your association with the Red Cross, you enable it to do what

" . . . you would surely do,  
If you were there!"

## In Passing

L. H. Bovair, chairman of the public school board, made a statement at the recent board meeting which deserves as much publicity as possible. Commenting on the use of the school buildings by public groups, Mr. Bovair said there was absolutely no reason why the schools should not be used. "They are public property, the public is entitled to use them," he declared.

From the number of reports of over 90 birthdays contained in this week's issue, not to mention a diamond wedding anniversary, we would say that spring birthdays have a definite affinity to a lengthy life.

The weather is about the best argument there is for artificial ice. It messed up play-offs, and worse, forced the postponement of Tom Kirk night at the arena. Up in Barrie, according to our sports expert, it is just about impossible to get ice time in the evenings because of the heavy demand. With artificial ice, Newmarket might be able to cash in on some of the arena business from around the countryside.

This particular gem comes from Saturday Night's "The Passing Show" by S. P. Taylor: "Inflation made easy: Price ceilings are being raised to raise wage ceilings which will enable wage ceilings to keep up with price ceilings, and folk will buy less for more except those with no more to buy less with, in which case, they will have to get along with less than those who are buying less with more. See what we mean?"

# THE COMMON ROUND

By ISABEL INGLIS COLVILLE

## SEAL OF SPRING

The sun, like a great golden disc, is setting his seal on nature's spring news letter. Some bits of news have been broadcast prematurely and raised hopes doomed to disappointment and maybe nature is playing a joke on us, but at any rate, we can bask in this glorious sunshine and HOPE that winter is going to make a graceful exit and not, like Mephistopheles, vanish in smoke and flame and fury.

Perhaps being shut off from the outside world for three months has made me more sensitive to every tiny sign that our lovely, colorful, tuneful, Canadian spring is really near at hand.

When I see the shadow of wings sweeping across our orchard and then see a large, very black crow on a certain tree, I feel a real exhilaration—I know that that crow is looking for a home site, no doubt he has a wife in a glossy new suit of black just waiting the word to wing her way to his side and to approve or, alas, maybe disapprove his selection.

Well, last week our crow came and looked our home sites over but did not communicate his reaction to us. That was sign number one.

Then the cats have begun to wend their way orchard-ward with gleaming eyes and fluffed-up fur. Woolly, with much dignity, brings in her spoils and rather disdainfully lays her offering kiltenswards and then sits her down before me, demanding her pay in meat or fish.

The kittens, with no dignity at all, grab her offering and gobble it down and then, with great vigor and virtuous determination, wash one side of their faces—what intrigues me is that it always seems to be the same side—do they NEVER wash the other?

It's years since we had a white cat—if our old Whitey were still with us we might have found out for she had a great affinity for the coal bin and usually looked as if she had

been dusted with grey powder, so one clean side would have told the tale.

And now—the birds! The man of the house called me to the door the other evening and—"listen!"—he said. It was worth listening to—a soft, chirping and twittering with once in a while a little roulade of melody. It came from the orchard, the singers all unseen but what a welcome sound to ears tuned to the eerie blast of winter wind.

A friend coming in one afternoon said she had been listening to and enjoying the sound of the cascade of water running down the steep bank to the ditch. It made one think of little waterfalls hidden in the heart of the forest and a sort of miniature preview of giant falls like Niagara and other great overflows of power and beauty.

But winter cannot let us go too easily. We drove up to Lake Simcoe the other day and I did not realize for a moment or two that it WAS the lake.

The great snow-covered expanse dotted with little fishing shacks looked just like any other great field—no dancing, glittering wave or foam-crested billow met our eyes—one could just sense the power waiting to be released beneath that ice-locked, snow-carpeted expanse.

The cottages, closed and shuttered, looked like a ghost town waiting for the spring to give it life.

The groundhogs and the skunks are taking airings and our blue jays and woodpeckers are visiting us, although not in the numbers we used to have. WHERE have they gone, for we put out feed just the same. We have had no chickadees or juncos or song sparrows and although some people have seen robins, our old pair—I think they must be the same, for they keep the same hours—have not returned.

But, come snow or hail, come wintry winds or sleet, we have seen enough signs to know, despite circumstantial evidence to the contrary, that spring is on the way.

## WHAT ARE WE WAITING FOR?

By Orville Ganton

Look into the homes of Canadians and what do you see? They are dark, sordid and unhappy in so large a proportion that unless we do something about it we will fail to be the nation we desire. Can we turn the other way and refuse to look? New homes and the employment created in their building and equipping is our immediate objective.

The facts about overcrowded, slum-infested cities are not nice to know. Millions of dollars a year are being spent on attempted remedies—hospitals, juvenile courts, detention homes, fire and police protection—but the basic deficiency, that of decent, clean, well planned communities is not yet provided. Too many barriers stand in the way.

First and foremost, private building and real estate corporations want a complete monopoly in the home building field. Only the type of home that can be sold with plenty of profit to these groups is undertaken by them. Construction companies plan to build about 50,000 housing units during 1946, which is totally inadequate.

Private construction builds homes which rent for \$20 and up. Thousands cannot afford to pay even that much for rent. If they pay that much for rent they must deprive themselves of fuel, clothing and other necessities. And then, of course, there are those who make great fortunes from all this misery. To monopoly landlords, shortages mean higher rents, fewer vacancies and no necessity for repairs and decorating.

There is only one way of filling in the difference between maintenance costs and rental and what the low wage earner can pay. That is by government subsidy to all municipalities. The aim should be to provide suitable homes for those whose rental should be no more than \$12 a month. More than half our wage earners are in this group.

Think of all the employment in each of the industries connected with building. Think of the new furniture, the electrical equipment which people in new homes would want to buy. This housing problem belongs to all Canadians. Only if we face it and work out its problem can we be certain that the future of Canada will be a progressive one.

Work

Work, play and money are the three cardinal problems in human life. The objectives in a training program toward efficient work are: first, desirable attitudes; and second, good work habits. In order to promote a desirable attitude towards work, there must be: willing and cheerful acceptance of responsibility; co-operation with others; interest in activities, tasks related to present interests of the child; willingness on part of individual to evaluate own accomplishments fairly; absence of work snobbery, no work should be beneath one's dignity.

Good work habits include: Working while you work, there should be a clear cut distinction between work and play; intelligent, persistent effort sustained long enough to get some place, an effective method; quality and accuracy of work (usually over-emphasized); dependability, child usually develops this quality without the adult; the child may be so motivated and so stimulated that he experiences a feeling of satisfaction in accomplishment.

Work conditions should be regulated for the child: work tasks must be within the child's capacity. Dawdling results when a child is required to do something beyond him; seeing that the child understands what he is expected to do; training in how to go about the task; allowing child to work out details in his own way (usually better because it is the child's own way).

There must be organization of work routine. It is the exceptional individual who learns how to manage time. The child can be helped to see that work done on time and in time leaves more time for play. A written record of the work routine should be posted on the home bulletin board. The child's materials should be organized and the earlier he has a place to do his school work, the better. Conditions should be favorable to work. It is a poor habit to mix radio and work. The child needs to make decisions as to place to work where there is no radio or conversation and uninterrupted time.

The main parental responsibility is to set a good example in attitudes and work habits. 1. In fostering interest, show interest. 2. Regard child's interest as important, get down to the child's level. 3. Help the child to get over the hard places. 4. Make sure to supplement the child's resources for information, materials, etc. 5. Make sure the child has a share in the family group. He must have his own work and do his share, not be considered just a "little helper."

Some adults might be interested to know that the popular phrase, "I can't concentrate," is without foundation. Concentration is subject to training. First the individual should focus his attention on concentration, know his bad habits to give him insight. Then he must possess a desire to improve his concentration which gives him motivation. Finally, he must practice concentrating.

### NAMES IN THE NEWS HAVE LOCAL INTEREST

News stories in recent weeks have had an Aurora connection. W. St. Clair Hilborn, Toronto, sentenced to 18 years' imprisonment for the death of one of his children from an overdose of a sleeping potion, at one time resided on Harrison Ave. and attended public school here briefly.

Prof. James Taylor, young philosopher and educationist, murdered at Brisbane, Australia, recently, was the son of William Taylor whose firm laid the Aurora sewage system. Prof. Taylor as a student was employed on the job.

### Lieut.-Col. C. R. Boulding To Resume Practice Soon

Lieut.-Col. C. R. Boulding, E.D., former mayor and on leave of absence from his duties as medical health officer for Aurora, received his discharge from the Canadian army this week.

A veteran of the first Great War in which he was wounded and invalided home, Col. Boulding enlisted in September, 1940, with the rank of lieutenant. He was the first medical officer at the then newly formed No. 23 B.T.C., Newmarket. From there he was stationed at Stanley Barracks, in Toronto, Ottawa, Camp Borden, Edmonton, and finally took command of Crumlin military hospital at London, one of the largest and most modern military hospitals in Canada. Among distinguished visitors who visited the hospital and extended words of praise were Lieut.-Gen. H. D. G. Crerar, Lieut.-Gen. A. G. L. MacNaughton and Premier Peter Fraser of New Zealand. On his retirement Col. Boulding was presented with a Sheffield silver serving dish by his fellow officers.

N.C.O.'s and men presented him with a framed watercolor by Fleury.

Col. Boulding is enjoying a few holidays and plans to take a course in Toronto before resuming practice.

### U.S. PREP. BASKETEERS TAKE S.A.C. 57-35

For the first time in the history of the school and local sporting events, an American team played in the district when Nichols prep school at Buffalo, N.Y., invaded St. Andrew's College on Saturday and took a neat 57-35 win over St. Andrew's prep school senior basketball team.

The plays and ball handling of the visitors were away above those of the average schoolboys. "But put them on the ice and the result would be reversed," said the Nichols coach after the game.

Zeller and Maxwell of the visitors, who scored 13 and 15 points respectively, were outstanding for the U.S. team which didn't have a weak man. Jack Malcolmson scored 12 points for the Andrians and along with Errington turned in a fine game for the losers. It was 32-17 for Nichols at the half. C. R. Blackstock of Pickering College handled the whistle and the game was one of the cleanest ever played in these parts.

After the game the visitors enjoyed a swim in the St. Andrew's pool and both teams fraternized over the banquet table.

S.A.C. (35), Martin (3), Marshall (6), Errington (8), Edmunds, Malcolmson (12), Lindsay, Simpson (2), Smith, M., Smith, F., Putnam.

Nichols (57), Putnam (11), Waynal, Williams (1), Nolan, Zeller (13), Ander, Maxwell (15), Edwards, Stevens (12), Owen.

### AURORA LIBRARY REPAIRS WAIT BUILDING DECISIONS

The Aurora public library board and the Aurora property committee recently met. The library board is anxious that improvements be made in their present building if the library is to remain there. Among the requests are a permanent heating system, either oil or coal; rewiring of the building and new lighting fixtures; storm windows, and a paint job on the floor.

Council made no decision on the question on Monday, pending a pooling of ideas on the building of public buildings in Aurora. The library board is meanwhile securing prices on the work needed.

### AURORA New Traffic By-Law Approved By Council

While Aurora councillors will all receive pay for attending council meetings, only standing committee members will be paid for committee meetings no matter how many members of council attend. Reeve C. E. Sparks took exception to all members receiving a \$3 fee for attending committee meetings, pointing out it was not done in county council and that in committee only the standing members had a vote on any decision. Council in committee approved this point.

Deputy-Reeve A. A. Cook queried regarding payment for the hydro commission but the mayor pointed out that they held fewer meetings and in his opinion didn't spend one-tenth the time on matters that council did.

Approval was given to the new traffic by-law and under the new provisions, a \$10 fine is set for a first offence and \$25 for a second offence. Parking, so as to obstruct other vehicles on any street is also covered by the by-law. Police will be instructed to give warnings except in serious cases until the public is familiar with the new rules.

### AURORA CAMP ON TOP

Newmarket camp basketball team gained partial revenge for two losses received from Aurora high school basketball squad as they took a 32-26 decision over the local scholars on Monday at the camp. Aurora led at the three-quarter but when Charlie McNaught twisted his ankle and was forced to retire, the soldiers forged ahead. Aurora went into the game minus junior players, who were playing hockey.

### AURORA PROPOSE CAIRN

Markham township is proposing to honor the fallen war heroes of the township by the erection of a cairn, suitably inscribed, in front of Crosbie Memorial Rink at Unionville. The matter is now being considered by a committee.

### AURORA LIBRARY REPAIRS WAIT BUILDING DECISIONS

The Aurora public library board and the Aurora property committee recently met. The library board is anxious that improvements be made in their present building if the library is to remain there. Among the requests are a permanent heating system, either oil or coal; rewiring of the building and new lighting fixtures; storm windows, and a paint job on the floor.

Council made no decision on the question on Monday, pending a pooling of ideas on the building of public buildings in Aurora. The library board is meanwhile securing prices on the work needed.

#### AURORA MELODY MAKERS MAKE DEBUT AS DANCE BAND

The Melody Makers made their debut as a dance band before a critical audience at the Aurora horse show euehre and dance recently. They came through with flying colors, judging by the applause.

For the past few months, a group of ex-Aurora Boys' bandmen and ex-high school students have been practising with their musical instruments. They worked out at a few sessions of the Teen-Age club, and then, encouraged by results, made their first "professional" appearance.

Actually, there is no designated leader or business manager, but Bill Babcock, now attending first year university in Toronto, plays the trumpet and is essaying these tasks with the assistance of the others.

Jim Willis handles the E-flat sax duties, Tom Spezial gives out with the tenor sax, and doubles on the banjo, and Dave Johnson toots the bass sax. Charlie Williams, blows the trombone and fiddles for the square hoe-downs. Bill Stephens, a returned war veteran, is the drums and tympanny expert, and Gib Smith, another university student, plays hot piano.

The ages range from 17 to 22. So far, no one has tried the vocals, but you can never tell. "Farmer" Ball called the old timers on Friday. They have no uniforms as yet, but all wear grey trousers, white shirts and maroon ties. They've snazzy outfits in mind, though.

#### BACKACHE May be Warning

Backache may be a signal your kidneys are failing to filter excess acids and poisonous wastes from the system. Dodd's Kidney Pills help relieve this condition, often the cause of backache, headache, rheumatic pains or disturbed rest. Dodd's contain essential oils and medicinal ingredients which act directly on the kidneys and help them regain normal action. Get Dodd's Kidney Pills today.

#### A.H.S. Basketball Take Two At St. Andrew's

Aurora high school basketball teams kept pace with Richmond Hill high school seniors and the Hill and Newmarket juniors by taking a double bill from St. Andrew's College last Friday. The seniors ran roughshod over the Andreans, winning 47-6, and the juniors annexed an important 14-8 victory.

The junior games, as the score indicates, was see-saw all the way. The college kids, handicapped by the smaller floor, put up a game struggle. Jack Monkman, Keith Kyle and Urquhart were the Aurora stars. Olmstead, Taylor and Triest were the best for the college.

Howard Patrick scored 16 points in the senior game with Seath, Cousins, McNaught and Patrick all getting double figure counts. Henderson was a stand-out for the college.

A.H.S. seniors (47): McNaught (11), Patrick (16), Cousins (10), Bunn, Seath (10), Murray, Henderson, DaCosta (3), Lindsay (2), Ware, Howell (1), Ware, Grey.

A.H.S. juniors (14): Kyle (5), Mundell, Monkman (6); Urquhart (1), Lee, Linton, Bahrey, Doherty (3), Andrews.

S.A.C. (8): J. Brown (3), Crosbie, Holloway, Olmstead (2), Triest (3), Catland, Taylor, F. MacOrra, G. MacOrra.

Referee: Ab Hulse.

#### AURORA INSPECT SCHOOLS

The Aurora public school board, and the principal, John G. McDonald, have visited three public schools in Forest Hill Village and revisited Rolph Road school in Leaside, previously inspected by several members of the board. While no decision has been arrived at, it would appear that considering the amount of land available, a two-storey school, as at Rolph Road, is favored by some members of the board. The board is expected to make an early decision in the matter.

#### HONEYMOON IS SPENT IN U.S.A.

A pretty wedding took place in Kettleby on Thursday, Feb. 28, when Ruth Stone, daughter of Mr. and Mrs. Wm. Stone, Aurora, became the bride of Michael Skabernicky, son of Mr. and Mrs. M. Skabernicky, Kettleby. Rev. Roy Hicks performed the ceremony.

The bride, given in marriage by her brother, Mr. Charles Stone, was becomingly gowned in white satin, and a feathered headdress with three-quarter-length veil. She carried pink roses. Miss Earla Seaton was bridesmaid and chose a blue floor-length gown and bouquet of pink roses. Mr. George Stone was best man and the usher was Mr. Eugene Rose.

The reception was held at the home of the groom's parents. The bride's mother received wearing a navy crepe dress and accessories. The groom's mother assisted wearing a black crepe dress and accessories.

The happy couple left to spend their honeymoon in the U.S.A. For travelling the bride wore a grey suit with black accessories. They will reside at R. R. 2, Newmarket. Out-of-town guests were from Toronto, Hamilton, St. Catharines and other points.

#### ANSNORVELD

Mr. James Mackie spent the weekend with friends in Toronto. A large congregation attended the morning service at the United church on Sunday morning.

More than 20 new members were welcomed into the church by Rev. C. E. Cragg and the elders.

Special music was given by the choir.

Donald Barr, young son of Mr. and Mrs. Owen Barr, was christened at the service. Visitors were Mrs. Rose Ferguson, Mrs. L. Cull, Miss Helen Haines, Newmarket, and Miss Orpha Haines, Toronto.

Mr. and Mrs. Wm. Davison visited Mrs. Maude Lavelle, Aurora, on Sunday afternoon.

#### MAGISTRATE'S COURT DOCKET IS SMALL, ONLY ONE CONVICTION

There was a small court here Friday with only one conviction being made by Magistrate J. P. Pritchard. Marshall Brock, Toronto, pleaded guilty to hunting on Sunday and without a license. He was fined \$11.75. The charge was laid by Ross Armitage.

A charge of failure to pay wages to Walter Hughes was withdrawn following the payment of the amount owing Hughes by Andre Folt, Queensville, for some carpentry work. Folt testified that he had sent payment to Hughes before Hughes laid the charge.

When one more is a crowd!

When the family comes home, or friends are caught in town without hotel accommodation, you can always make room for one more... if Dad will sleep on the chesterfield. But sometimes there simply is no room for one more.

Take the home that is not adequately wired, for instance. That new sandwich grill may be one appliance too many for the circuit to carry. The new kitchen mixer may be out of luck for a convenient wall outlet to operate from. Where to put that frozen-food cabinet may be a bigger problem than finding one you can buy. The wall outlet in the chosen corner may be already "overloaded" because of improper distribution of outlets per circuit.

When you build or remodel, be sure that your home is adequately wired. Be sure that it is ready to receive the new electrical appliances that you will be wanting to add from time to time. Employ a reliable electrical contractor, and see that there are plenty of outlets in every room, and circuits enough to serve them all adequately.

Your Hydro supplies power at rates that are among the lowest in the world. If you are to have full advantage of its convenience, your home must be adequately wired.

If you are improving or building a home, ask your Hydro for the booklet, "Adequate Wiring for the Postwar Electric Homes of Canada."

## RECORD SMASHER 346 Eggs in 365 Days

That is the remarkable record made by Art Brunton's Rhode Island Red hen, "RED LADY", under official government R.O.P. supervision.

That is almost 95% production. "RED LADY" only took 19 days' rest in a whole year.

And here is what Art Brunton has to say —

Gentlemen:

We believe you will be interested to hear that our fine performing RHODE ISLAND REDS were fed your good SHUR-GAIN feed from the day we hatched them.

While the country wide report has not been released by the government, we do know that the egg laying record made by our hen, "RED LADY", will be one of the highest for the 1944-45 test year in all breeds and possibly one of the highest for the Rhode Island Red breed in many year. This hen's R.O.P. entry number was 33155D; her record 346 eggs in 365 days.

"RED LADY" made her remarkable record on SHUR-GAIN feed, in fact she was raised on it from a day old.

Yours very truly,

Art Brunton,

Brunton Farms Hatchery.

There is the PROOF that SHUR-GAIN Feeds combined with Good Breeding and Good Management are

# Mercantile League Champs, Camp Hockeyists Are Feted

The members of the Newmarket Army hockey team and their wives and those associated with the team gathered at St. Andrew's Presbyterian church Friday for a banquet and entertainment presented to them by the Salvation Army auxiliary war services. Capt. Wm. Shaver of the Salvation Army, Newmarket camp, acted as master of ceremonies for the evening.

After the dinner, provided by the ladies of the Presbyterian church, Capt. Shaver led in a sing-song. Mrs. Shaver was guest soloist, while Mrs. Cameron was at the piano.

Sgt. Chuck Shannon, coach of the team, was called on for a brief address. Following this, each member of the team was presented with a medal commemorating their winning the championship of the Newmarket and district hockey league. The presentation was made by Major Cameron of district headquarters of the Salvation Army, R.S.M. Bowman assisting. Each player also received a picture of the team. Players who received the medals were Capt. "Bing" Caswell, Lieut. D. Ingram, Lieut. J. McNulty, Sgt. T. Biocchi, Sgt. J. Life, Sgt. W. Thompson, Cpl. M. Lutes, Cpl. W. DeLory, L.-Cpl. J. Borthwick, Pte. T. Boyer, Pte. M. Mahas, Pte. C. Orton, Pte. Vipond, R.S.M. Bowman (manager), Sgt. Chuck Shannon (coach), Sgt. T. Lee (trainer).

Dinner speakers included Lieut.-Col. N. M. Young, commanding officer, who congratulated the team on their achievement and for the good fellowship displayed throughout the season. Major Cameron of the Salvation Army spoke of his work in connection with the war services. Mrs. Young spoke briefly on behalf of the ladies present. Capt. Caswell responded on behalf of the players. Movies were provided to complete a full evening.

## NEWMARKET COUNTY FEDERATION MEETING MARCH 18

In view of the interest aroused through the introduction of the hog marketing scheme, it is anticipated that there will be a larger than usual attendance at the annual meeting of the York County Federation of Agriculture at Richmond Hill on Monday. The directors are meeting with the hog committee at 10 a.m. but the general meeting is called for 1.30 in the Masonic Hall.

Guest speakers for the afternoon are V. S. Milburn, secretary, Ontario Federation of Agriculture, and Miss Lulu Row of the Women's Institutes branch who will have a message for the ladies. While all organizations are asked to have delegates in attendance, every rural resident is cordially invited to attend including the junior farmers.

## HOLT

The many friends of Mrs. George Marles will be pleased to hear she is progressing favorably after a serious operation last week in Toronto General hospital.

Mrs. Addie Hoover was calling on friends here on Monday. Mrs. Hoover hopes to return to her home here next month.

Mrs. Herb Oliver, Vanderford, was a guest at the home of Mrs. Ben Cookson on Saturday.

Mrs. Arthur Lepard spent Friday with relatives in Mount Albert.

## SHARON

Despite a heavy snowfall which made roads almost impassible, 39 interested people attended the demonstration and lecture at Sharon hall sponsored by the Hobby club recently. The speaker was Miss Mary Sliester of the department of agriculture. She gave many helpful hints on "Interior Decorating." She stressed the correct selection of pictures and placing of them, the pleasing of individual members of the family and said not to be over critical of one another's tastes especially in regard to style and taste.

The local Red Cross group gave a display of the work being done each week and a great deal of credit is due to faithful members who so voluntarily gave of time and talent to this work.

The Hobby club members displayed samples of needlework, hand-made lace, leather work, embroidery, crocheting, knitting, hemstitching and a sewing basket. Mrs. Bruce McNern presided.

## NEWMARKET Lived Here Since 1869, Isabella Robinson Dies

A resident of Newmarket since 1869, Isabella Robinson died at the home of her daughter, Mrs. R. M. McNaughton, 11 Gorham St., Saturday, March 9, following a stroke. Mrs. Robinson was born in Edinburgh, Scotland, November 27, 1859, coming to Canada in her early years.

She married Joseph Robinson who predeceased her in 1929. Following his death, she made her home with her daughter, Mrs. MacNaughton.

Identified with the Presbyterian church, she was a lover of flowers and in death, her room was banked with many floral tributes including a large basket of calla lilies, her favorite flower, sent by the family.

Surviving are four daughters, Miss Carrie Robinson, Toronto, Mrs. G. Frank Doyle, Mrs. R. M. MacNaughton, Mrs. Gordon C. Kemp, Newmarket; and two sons, Wm. J. and Edward A. Robinson, Newmarket.

Rev. Dr. D. McIntyre, Toronto, conducted the funeral service March 12. Interment was in the family plot at Newmarket cemetery. Pallbearers were her two sons, R. M. MacNaughton, Gordon C. Kemp, G. Frank Doyle and F. Eugene Doyle.

## GLENVILLE

Mr. and Mrs. Wm. Gould attended the funeral of Mrs. Gould's cousin, Mrs. Gordon Brown, Schomberg, last week.

Miss Hazel Sharpe spent a few days last week with her sister, Mrs. John King, and Mr. King, Toronto.

Mr. and Mrs. Angus Morrison, New Toronto, were weekend guests of Mrs. Morrison's parents, Mr. and Mrs. Wm. Keffer.

Mr. and Mrs. Chas. Bunn, Newmarket, were Sunday guests of Mr. and Mrs. Wm. Gould.

Mr. and Mrs. Elmer Cutting and baby, Wayne, were Sunday guests of Mrs. Cutting's sister, Mrs. Gordon Lyons, and Mr. Lyons, Maple.

## ZEPHYR

Mrs. Margaret Rynard has been spending the past couple of weeks in Mount Albert visiting Mrs. E. Harmon, Mr. and Mrs. W. Campbell, and other friends.

Mr. and Mrs. W. M. Rynard entertained some of their friends last Thursday evening.

Mr. and Mrs. R. A. Armstrong and Betty visited Mrs. Armstrong's mother, Mrs. W. Harmon, of Uxbridge on Sunday.

Misses Kathleen Bartlett, Beth Silversides and Wilda Thompson spent Sunday with Miss Marion McNelly.

A large crowd attended the hockey match in Aurora on Monday night and was, pleased Zephyr was able to bring the cup home with them.

Miss Marion Lockie spent the weekend in Toronto.

Mrs. Pearl Pickering returned home on Monday from Toronto where she has spent the past few weeks.

Mr. and Mrs. Howard McKeown, Mr. and Mrs. Ted Meyers and family, Mr. Earl Kearns and a friend visited Mr. and Mrs. Tillman Meyers on Sunday.

Miss Laverna Bartlett visited Mrs. F. Cronberry and Mrs. S. Bradley last Wednesday.

The sympathy of the community is extended to Mrs. G. Prout and family in the loss of their son and brother, John, who was accidentally killed in the bush last Thursday.

Little David Arnold, son of Mr. and Mrs. Bill Arnold, is in the Hospital for Sick Children, Toronto, with a fractured hip.

## H.-S. TO QUERY TOWN COUNCIL ON V.O.N. NURSE

A delegation from the Aurora Home and School Association will wait upon the town council at the April meeting to request the municipal authorities to officially investigate the possibility of securing a Victorian Order Nurse for Aurora. On Monday evening, at a meeting of the association presided over by Mrs. L. C. Lee, the members expressed great interest in the idea. The committee appointed consists of Dr. G. A. C. Guntton, Mrs. James Brooks, Mrs. Herbert Stocks, E. J. Buchanan, Charles Copland and Mrs. L. C. Lee.

Introduced by Dr. Crawford Rose, Miss Helen Gardner, Newmarket public health nurse, was the guest speaker and she outlined the work being carried on in Newmarket. Pre-school health inspection and care eliminated loss of school hours and got the child off to a healthy start in life, she said. Psychiatric problems, it was estimated, were cut down by 50 percent with health nursing. A question and answer period followed.

To encourage attendance at the meetings and publicize them, the association has awarded a prize of a handsome picture to the Aurora public school for competition between the parents of the various school room pupils. First winner was Miss Genevieve Robinson's class whose parents showed a 20 percent attendance at the meeting. Miss Eleanor Humphrey's class had a 19 percent attendance of parents. The competition continues throughout the year and the class which wins the framed picture the most number of times gains permanent possession.

Mrs. Wilfred Adams was guest soloist with Mrs. C. R. Boulding as accompanist.

## WITH THE FORCES

Pte. Bruce Heise has joined the Royal Canadian Rifles and has been transferred from Newmarket camp to Brockville.

Tpr. Donald Watson reported to district depot this week for discharge.

Keith Southwood and Craig McKenzie are among ex-service personnel attending Rehab School in Toronto.

Cpl. Charles William Ingram of Maple, well known throughout North York, was among Canadian troops mentioned in dispatches.

## WITH THE CHURCHES

Rev. F. V. Abbott, Kettleby, took the Sunday evening service at Trinity Anglican church, Thornhill.

Rev. Roy Hicks, Aurora, and Rev. M. Jenkinson, King, exchanged pulpits last Sunday evening.

Members of the Sunday-school executive and teachers held a pot-luck supper in Aurora United church on Tuesday evening.

Mr. and Mrs. Stan. Hunt, Toronto, were guest singers at Aurora Gospel church on Sunday.

Trinity church parochial guild met on Tuesday evening at the home of Mrs. Mark Browning.

Rev. J. B. Rhodes, vice-principal of the Toronto Bible College, accompanied by a choir of 30 voices, took the services on Sunday at Wesley United church.

# The Aurora Era

AURORA, ONTARIO, THURSDAY, MARCH 14TH, 1946

## Plan Dinner, Presentation For Ex-Service Personnel

Next Thursday evening, Aurora will honor her ex-service sons and daughters at a municipal dinner and presentation to be held in Mechanics' hall. Over 300 invitations have been sent out by Clerk A. C. A. Willis, and any recipients who intend to attend the dinner but have not replied to the invitation are urged to reply without delay. Changes of address and long distances will prevent many attending but around 200 are expected at the banquet.

The catering will be attended to by St. Andrew's Presbyterian church ladies and an attractive menu has been arranged. Mayor Ross Linton will preside and has promised that speeches and formalities will be cut to the minimum. A floor show featuring Jimmy Good of Dumbells fame, Louise Linton, Mary Monahan, Ruth Gibbard, Ray Calder, Ken Butler, Jack McLean, Ross Bertram, and other headline variety acts, will be one of the highlights of the evening.

## At Least Ten Aurorans Still On Active Service

With the Aurora municipal banquet and presentation billed for next Thursday evening, a check of the lists of active service personnel from Aurora reveals that at least ten Aurora boys are still on duty overseas although their families expect them home before summer. Most are now in England and some are expected to sail for home this month.

With the army are Capt. A. W. Boland, Pte. Cecil Atkinson, Pte. Howard Lloyd, Tpr. Douglass Cameron, Cpl. George Case, Tpr. Eric Gardiner. In Jamaica is Pte. William Ramsay. Pte. Howard Lloyd is now in his sixth year overseas.

With the R.C.A.F. are Flt. Lieut. Robert Hacking, FO George Morris and LAC Murray McLeod.

Overseas and expected in Aurora within a matter of weeks are also the brides of three Aurora boys now discharged from the armed forces.

## War Bride Welcomed Here 'Thrilled' Not Just A Dream

Aurora gave a royal welcome on Monday evening to Mrs. Clayton Doolittle, the former Ruby Theresa White of Essex, England, who arrived in Canada last Tuesday to join her husband. Over 75 persons gathered at the home of Mr. and Mrs. Ben. Harrison, Spruce St., for the occasion, and the young war bride was "thrilled beyond words, and almost afraid to go to sleep lest it's all a dream."

To the strains of the wedding march played by Miss Mary Brown, the young couple entered the beautifully decorated living-room amid applause. Mrs. Ross Linton, on behalf of the townspeople, extended a formal welcome and expressed the hope Mrs. Doolittle would like Aurora and make many warm friends. She presented Mrs. Doolittle with a bouquet of sweet peas.

Four large hampers containing 62 presents were brought forward and presented to the couple, and were appropriately received by Mr. and Mrs. Doolittle.

Mrs. Lambert Willson was guest soloist and sang Fairings. Mrs. Harrison and Mrs. Clarence Doolittle presided over the pretty tea tables and dainty refreshments.

Five members of the C.W.A.C. who reside with Mr. and Mrs. Harrison, contributed largely to the success of the evening by their hard work.

## Lions Midgets One Of Four Teams In Ontario Title Hunt

Aurora Lions midgets became one of the four last teams in Ontario in the hunt for the O.M. H.A. midget crown by virtue of a sweet 7-2 win over Sundridge Lions at Gravenhurst on Monday evening.

The game, originally scheduled for Saturday, was postponed because of soft ice, and attracted only a handful of spectators. Five carloads left Aurora at 3 p.m. and the boys were well rested from their long trip when they stepped on the ice.

In the first minute of play, McGhee broke with Simmons and Davis, and on a three-try passing play, Simmons batted the rubber past Johnston before the big northern team got its bearings. Bill McGhee made it 2-0 on a solo effort at the halfway mark. Walt Davis received a nasty clip over the eye and was removed from the ice for medical attention. Edgar McCreary beat Kyle on a long shot just before the bell rang.

With Davis back in the line-up for the second stanza, the Aurora boys played inspired hockey, and it was the injured player who fed Ron Simmons the pass for his second goal. Simmons came back alone with some fine stick-handling to complete the hat-trick and virtually sew-up the game.

Davis scored in quick fashion as the third period opened to make it 5-1. Harry Fountain, Sundridge winger, who played a strong game all night, stole the puck behind the Aurora net and put it in off Kyle's stick. McGhee got that one back, and Wilkinson got the final tally on Davis' pass.

Wilson "Sam" Scott, former Aurora junior player and Gravenhurst native, refereed the game and meted out six penalties to Aurora and five to Sundridge. A donnybrook started in the third period with spectators coming out on the ice but it was soon quelled without any damage.

Davis, Simmons and McGhee paced the Aurora attack, but the boys all performed to the satisfaction of coach Del. Babcock. Jack Atkinson, big defenceman, was an absentee through illness but it is hoped to have him in the line-up for the next game.

## N.H.S. SQUADS TAKE TWO FROM ANDREANS

Newmarket high school cage squads kept their title hopes at fever pitch by taking two decisions from St. Andrew's College last Friday at Aurora. With Larry Cotton potting 10 points, the seniors took a 35-16 verdict, while the juniors, led by Bovair and Ross, won a 24-16 victory. Barney Jackson of Pickering College officiated.

N.H.S. Srs. (35): McNern (4), Dales (2), Elphinstone (7), Edwards, Cotton (16), King (4), Beattie (2).

S.A.C. Srs. (10): Powell, Chase, DaCosta (1), Lindsay, Gray, Ware, Shortly (4), Little (11).

N.H.S. Srs. (24): Brown (12), Bovair (4), Ross (6), Sproxtion, Walton, Ewing, Thoms (2).

S.A.C. Srs. (16): Holloway, Catlin (4), Crosbie, Taylor (2), Olmstead (8), MacOrra (2), Startup, Thomson.

## DROP TWO GAMES

Aurora girls basketball teams dropped two games to Richmond Hill high school lasses on Friday. The Hill seniors took a 26-7 win, while the juniors were edged out 12-9. The loss eliminated the seniors, but if Richmond Hill juniors defeat Newmarket girls in Newmarket this week, a three-cornered tie will result.

## OPENS SALON

Miss Helen Evans has opened a beauty salon in Tunney's barber shop on Wellington St.

## SALVAGE MARCH 23

The Aurora Board of Trade salvage collection will be held on Saturday, March 23. Last Saturday, the contestants brought in over eight tons of wastepaper. Three boys, Bobby Bull, Lionel Stephenson and Robert Higgins, each brought in over a ton of wastepaper. The largest amount of wastepaper ever shipped from Aurora was last Saturday.

Proceeds of the salvage collection go to the Board of Trade Community Memorial fund.

## TWO STOREYS, 14 ROOMS IS SCHOOL PLAN

By a unanimous vote on Tuesday evening, Aurora public school trustees decided that the proposed new school for Aurora shall be a two-storey structure, facing on Victoria St., with no basement and of the most modern construction.

Architect Forsey Page of Toronto has been instructed to bring in a set of plans by April 1 embracing a 14-room edifice with a combined auditorium and gymnasium. The auditorium would face on Church St. on the site of the present school. The new building would include a kindergarten and class rooms for home economics and shop work.

"Lack of space was the main reason for deciding on a two-storey school," Mrs. Robert Hodgkinson said. "We liked the one-storey idea, but there wasn't room to adequately provide for it."

"The two-storey schools we visited impressed the board members, and this along with the problem of space decided the matter," Herbert Stocks said. "The addition of a kindergarten, and home economics and shop work rooms will relieve pressure on the cramped conditions at Aurora high school. We might also consider sharing our facilities in a new school with rural school classes. The plans being prepared will be the most modern possible."

L. C. Lee, town solicitor, was instructed to commence expropriation proceedings to secure for the board the Bradford property immediately north of the school on Victoria St. Legal complications make this step necessary. A deal is being arranged for the purchase of the William Summers property north of the Bradford property.

Additional land is being secured from owners facing on Mosley St., the properties affected including those of Milton Fleury, Charles Lundy and Mrs. Thomas Grimshaw. By mutual agreement the price will be arbitrated. Frank Underhill will represent the school board on the arbitration committee; the owners will nominate a representative and these two appointees will propose a third member. No difficulty is expected in settling the matter amicably.

## Wells St. Couple Have 25th Anniversary

Mr. and Mrs. L. W. Stephens, Wells St., celebrated their silver wedding anniversary on Tuesday. They received many telegrams, flowers and telephone calls and were presented with a chest of silver by the congregation of St. Andrew's Presbyterian church. A large number of friends called on them to extend their congratulations.

Miss Katherine Osborne, Toronto, poured tea, assisted by Miss Marjorie Andrew, Miss Vera Barkey, Mrs. Clifton Spence, Mrs. Marshall Rank, Mrs. Chester Osborne, Mrs. William Travis, Mrs. Delmar Barkey, Mrs. Geo. Teasdale, Jr., Mrs. J. M. McDowell, Mrs. Norman Eagan and Mrs. Jas. Shaye.

The house was beautifully decorated for the occasion.

Mrs. Charles Webster was elected president of the Aurora Women's Liberal Association at a meeting held on Tuesday afternoon at the home of Mrs. A. M. Kirkwood. J. E. Smith, M.P., York North, was the guest speaker and he reported on the work of parliament. Other officers elected were: first vice-pres., Mrs. A. M. Kirkwood; second vice-pres., Mrs. Fred Caulfield; sec., Mrs. L. C. Lee; treas., Mrs. Frank Smith; flower convener, Mrs. John Klees.

## Blues Do It Again, Take Bowser Trophy For A Third Time

By AB. HULSE

The lights gleamed late up Zephyr and Mount Albert early Tuesday morning. There was no other breakfast topic throughout the entire north county, and rural telephone lines buzzed all Tuesday morning carrying the tidings "our boys have done it again."

Minus two of their best players, Bohmer Groves and Stan. Lunney, Bert Lockie's gamecocks swept to their third straight Aurora title by shading their ancient rivals, Ballantrae, 5-4, before an estimated crowd of 1,200 people on Tuesday evening. While not the best played game of the series, the contest was torrid enough to satisfy the most rabid fan, and it ended in a garish finish with Herb Simpson and his crew just failing to tie the score. There are those, of course, who will still argue whether or not Mutt Collings, third period goal was in, but bear in mind the goal judge was a Ballantrae appointee, and he wasn't changed nor was any protest entered. Referee Tommy Myers and Jim Grainger were both on top of the play and from where we sat, it looked as if the puck just caught the inside corner. Ballantrae had a goal called back as Nick Bangay caught the corner with Bun Hood lying on the ice inside the goal.

It was penalties that meant disaster for Ballantrae and allowed the Blue boys, who are supreme opportunists, to get the needed edge. With Chub Spencey off for cross-checking in the first frame, Collings tied the count at 1-1, and when Herb Simpson tripped Collings in the third period, Morley Smalley picked an open corner for what proved to be the winning mark. Al Boudway could not be blamed for the Ballantrae loss as he stopped plenty of hard shots. He was still shaky from taking the count on Pickering's hard drive when Collings got the first Zephyr goal.

Head and shoulders above every man on the ice was Roy "Mutt" Collings, long a favorite with Aurora fans, and one of the cleanest, gamest performers to show anywhere. "Mutt" got two goals and two assists. He checked continually and relieved on defence when his mates were short-handed. Smalley turned in his best game of the year, Pickering and Ches. Lunney were going both ways, and from Smith out there wasn't a weak link. Zephyr received their best handling of the year from the bench and Messrs. Lockie and Morrison can take a bow for master-minding.

Ballantrae struck like lightning in the first period, Herb Simpson taking Hood's pass and beating Smith on the first shot of the game from about ten feet out. Zephyr drew the first penalty at 4:18, Peat boarding Redshaw. Smith saved several dandies and Zephyr began to carry the play, finally being rewarded as Collings cashed in on Pickering's pass as Spencey

rested. Ballantrae scored but Hood was keeping company with Smith in the nets, and it was not allowed. One drive rocked the rink lights.

"Swiftly" Todd, blonde Ballantrae winger, scored what was the picture goal of the night as he battled his way single-handed through the entire Zephyr team, and with Peat draped on him, beat Smith from three feet out. At 1:10 of the second Ches. Lunney took Collings' pass and got that one back at 4:42. Zephyr were being outplayed at this stage by Ballantrae, but appeared the stronger and struck only when they had a chance. It was Pickering who broke the deadlock at 16:05 with Collings again setting up the play. When Rocci drew a penalty at 16:45, Ballantrae put on a spurge that backfired. Collings trapped the puck with Ballantrae in the Zephyr zone, fired it down the ice, raced after it, stole it from Bangay, and circling the net just picked the inside corner as he rounded the net.

When Smalley took Clarke's pass to score, Zephyr's fifth goal at 2:47 of the third period, it looked all over for Ballantrae, but they were far from done and but for the fact they played badly disorganized hockey for ten minutes, and Zephyr kept playing defensive hockey and forcing them to play the way they wanted it, the Whitechuck boys might have been able to cash in on some of their opportunities. At 14:43, Ross Redshaw scored from Derusha's pass-out. With six seconds to go, Simpson scored a neat goal off Spencey's pass, but it was a dying effort.

We have already taken time out to mention special performances for the winners, but it would be unfair to forget Jack Johnston, who filled in capably for Stan. Lunney on defence, and Ivan Clarke who replaced Groves. Both boys did all and more than was asked of them.

Herb Simpson was the pick of the Ballantrae pack on the night. There is no gainsaying the fact big "Ike" Harper, who accompanied Stouffville juniors to Lucknow for an exhibition hockey match in place of playing in Aurora, was badly missed, but Nick Bangay was a capable substitute and performed in three-star fashion. Redshaw, Williams and Todd turned in fine games, but Clarke and Spencey saved their poorest play-off performances for the final game.

The John W. Bowser Cup is now in the possession of Zephyr. To the victor and vanquished go heartfelt congratulations. It was a great series to win, a tough one to lose, and John Q. Fan really went for it in a big way.

Zephyr: goal, Smith; def., Peat, Johnston; forwards, C. Lunney, Pickering, Collings; subs., Smalley, Arnold, Clarke, Rocci.

Ballantrae: goal, Boudway; def., Spencey, Bangay; forwards, Simpson, Todd, Hood; subs., Williams, Derusha, Clarke, Redshaw.

## 'Arsenic' Goes Down Well As St. Andrew's Production

An audience of over 150 enjoyed the presentation of Arsenic and Old Lace by the St. Andrew's College dramatic club at the college last Friday night. The event was sponsored by the Aurora Lions club, and while the Leos did not pack the house owing to wet weather, all the tickets were sold.

The St. Andrew's players, one of the cleverest juvenile organizations in Canada, played before the school on Thursday evening, and on Saturday, before the Old Boys' association.

The entire production left nothing to be desired. The three female impersonators, R. A. MacKinnon as "Abby Brewster," E. E. Flat as "Martha Brewster," D. M. Miller as "Elaine Harper," fairly lived their parts, and the audience, once they had looked at their programs, never thought of them other than in their stage roles the rest of the performance.

D. G. Davis of Newmarket as "Jonathan Brewster," gave one of the top efforts of the play, his make-up and interpretation of the heavy part leaving little to be desired. M. A. D. Magee as "Dr. Einstein," and V. W. Rodwell as "Mortimer Brewster," both handled their parts skillfully. Not a cue was missed, and the costuming, lighting and stage effects were close to perfection. C. L. Lamberton directed the production.

President Charles Copland welcomed the audience and extended his thanks to the players, while at the second intermission, Dr. Crawford Rose led the Lions club members in a healthy Lions roar.

## Work On United Church Interior Is Completed

The congregation of Aurora United church, which has been worshipping in the Sunday-school rooms the past two months, will return to the church proper next Sunday morning. The ceilings have been lowered and beamed and the interior completely redecorated. The lighting system has been improved and the tower room has been renovated. The cost of all the changes amounted to over \$5,000 and officials are delighted with the new appearance of the church.

Rev. Roy Hicks will be in charge of the morning service and in the evening, Rev. A. E. Black, Guelph, a former pastor, will be the guest speaker. The following Sunday the new church, windows, delayed in transit, will be formally dedicated as will be a new baptismal font.

## PINE ORCHARD

The Community club will meet at the school on Friday evening, March 15.

Last week the roads were so bad the bus was routed via Sharon and cars had quite a struggle to get through the mud. Spring cannot be far away because the crowds have returned. A good run of sap was reported for a few days.

Willing Workers met at the home of Mrs. Ross Armitage on Wednesday, March 6. The program for Women's World Day of Prayer was observed. Mrs. Needler, Mrs. F. Sheridan, Mrs. E. Starr and Mrs. J. Hope took part in discussion of the theme for the day. Special collection was taken for the cause.

Mrs. G. McClure read an excellent paper on My Job and I, Do We Fit? At the close of the meeting lunch was served by the hostess assisted by Mrs. Frank Sheridan.

Twelve young men and women from Toronto Bible College were in charge of the service at Union church Sunday afternoon. Miss Irene Harper, Holt, spent the weekend at home.

## MAPLE HILL

The flu has been raging around here and the school was closed for two days last week owing to the illness of the teacher, Miss Gooding.

Mr. Jack Corner, Pefferlaw, visited Mr. and Mrs. Fred Knights on Saturday.

Miss Viola Gillion, Toronto, is spending a few days with her parents.

Several around these parts have tapped their trees and the farmers report a good run of sap so far.

Mr. and Mrs. Kerr and Murray Kennedy supplied special musical numbers at the service in Maple Hill church on Sunday which were much enjoyed. Mr. Kerr preached a sermon on consecration.

## WILLOW BEACH

Mr. and Mrs. Goodger, Toronto, visited Mr. and Mrs. Carman Marritt last Sunday.

Pte. Alex. Powell, Toronto, spent a few days at the home of his parents, Mr. and Mrs. J. H. Powell, recently.

Mr. Jack Mahoney, Mr. and Mrs. W. M. Thompson and Mrs. Chapman spent Thursday in Toronto.

Mrs. W. L. Grant and Margaret visited Mr. and Mrs. Percy Reid for a few days.

Mrs. J. H. Powell is spending some time at Ajax.

Mr. and Mrs. Gordon Eberts, Lindsay, spent last week with Mr. and Mrs. Herb Crittenden.

A number of Toronto families were up to their cottages Sunday.

## DOWN THE CENTRE

By AB. HULSE

Bill Babcock, former Aurora high school basketball star and a good one too, is playing inter-faculty basketball at Toronto Varsity this year. Bill is with Holwood House which is near the top. In addition, he is also doing some refereeing. Blows a hot trumpet too with the Aurora Melody Makers.

Dick Pearson, who won fame overseas as one of the Canadian army's finest track stars from the furlong to 880, is back home and we omitted to mention his fine play with Sutton Green-shirts in the O.R.H.A. play-downs. Track stars are not generally inclined to participate in any other sport but not so with Dick. We hope he takes part in some of the Canadian track meets this summer.

Bradford juveniles passed out of the picture against Bolton (?) juveniles. The Celerytown kids took a 4-3 decision at home and then went down to an 8-1 defeat on soft ice. We used a question mark with the word Bolton for we understand a good many of the players come from Weston and other centres. Coach Fred Collings, Mac Tobias and all the rest can take a bow for a job well done and next season should lead to bigger and better things. In Centreman Don Coates and Winger Chuck Boychoff (we are told that's the correct spelling, but it is pronounced "Boycroft"), the Bradford club had two of the outstanding players in the district. Both boys should go a long way in hockey.

Ringwood Maroons are the winners of the six-club, inter-church intermediate hockey league which was in operation at Stouffville all year. This is the "Stouffville bush league" and not entirely conducted upon sectarian lines. Vivian was the opposition in the finals. The Maroons' line-up included Gordy Lewis (Stouffville juniors), Albert Hosking, George Wilson, Don Ferguson, Jack Warriner, Ken Laushway, Jim Abell, Bob Abell (former Newmarket camp basebatter), Jim Manchur, Norman Jarvis, Earl Crowder, George Foote. While on the subject of inter-church hockey at the request of a correspondent, we salute the youngsters from Keswick United church who won the Purdy-Henry trophy, emblematical of the Sutton junior church league championship.

The winning line-up as we get it was: goal, Bernard Kay; def., Dave Huntley, Fred Thompson, Bob Atcheson; forwards, Murray Chandler, Dan McGenerty, Gordy Clark, Al Walker, Bill Henry, Don Harper and Mel Sedore. "Some real stars for the future," says our pen pal who points out the folks up Sutton way, including Dr. Harold Learoyd, are really giving the kids a chance to develop their athletic talent and the entire league was a big success with the senior series being won by lads from Sutton Roman Catholic church.

Next winter looks like the logical time for a revival of junior C hockey throughout North York. Stouffville came out on top financially in its first year and while it may lose a few of its better players, it would probably be ready to go again. Markham and Richmond Hill are now ripe for a return to C company, their logical rating. It is no secret that both clubs are heartily sick of the task of bringing in imports. Not imports in the normal sense of the word in that the boys reside in town, but imports from Toronto and district who commute back and forth for games at considerable expense to the club. Markham, except for three players, was entirely a Toronto team while the Hill went as far as Port Credit for players and of course called on Woodbridge, Willowdale, Aurora and Newmarket.

Both teams, despite some fair crowd support and raising money by other means, lost money on the season. With good juvenile teams at Aurora, Newmarket and Bradford, many of whom are too old for juvenile next season, a compact six-club group is easy to form. Confined strictly to local and district players, the teams would be fairly evenly balanced and until the "import" craze struck one or more of the centres, everything could be easily handled with not too much expense to the clubs concerned. The O.H.A., this season at least, has hewed well to the line in its C series; making the clubs stick to players close at hand or move up to B if outside players were brought in. True, that wasn't the case in pre-war days and perhaps it won't last long but if sufficient pressure is brought to bear on the O.H.A., it could be assured. The Hill already has this idea in mind and has been toying with its possibilities. The Hill would have a pretty nice little team from home.

Normie Stunden, playing his third year in the nets in junior O.H.A., won't be 18 for a while and there is 14-year-old Dougie Moore who tended goal for Stouffville this year. Herbie Rose, who rated as the top defenceman in junior B district circles this year, will be eligible for junior next season. Herbie was born in Newmarket and

won't be 19 until October 21. Mac Clement, equally good at baseball, basketball and hockey, is still only 16 and we don't need to mention that he is plenty good enough for junior B. Sandy Neal and Ev Baker from the midget team are just slightly below junior in ability and then, there is Jack Atkinson, bulwark of the Aurora midgets defence and good enough for junior C right now. The forward lines would need some recruiting but Sonny Charles, Doug Allen and Dave Simser are up and coming kids in the T.H.L. while Jack Rummey, one of two brothers who played for Stouffville, will still be of junior age next winter.

Billy Mundell will be 18 on September 23 and if Aurora goes into junior company, might well be expected to play here even though he has been with the Hill for two years. Chances are, however, that Mundell will move up to A next season. He has a chance to play with Marl-boros but passed it up to perform for the Hill. Aurora folks figure if Mundell had elected to play juvenile here, the local juveniles would still be going strong. Incidentally, since Coach Norm Johnson has moved Bill back to guard on the basketball court, Bill has played an improved game.

Pink Tunstead, ex-Newmarket junior now performing for Barrie Colts, was picked as one of the four best defencemen in the Georgian Bay junior group this winter. Tunstead was picked for the first post on the second team. Dick Piller, who played with Marham juniors last year and is now with Barrie, was picked for the first team. He was a forward last winter.

If Aurora midgets meet Thorold which is in the finals of the western section of the O.M.H.A.

playdowns, they will find themselves opposed by a former teammate in the person of Fat Milne, whose father operated a service station in Aurora for some years. Howard played baseball briefly for Aurora last winter and will probably be doing the same this summer at Thorold where kid sports are widely encouraged. Young Milne was one of the most promising athletes under the aegis of Del Babcock when he resided here and it is a source of satisfaction that other places put the seal of approval on local youngsters.

Nip Armstrong, former high school athlete who played hockey for King before enlisting and since returning from overseas in January has been playing for Maple in the Richmond Hill bush league, has received his discharge and is now employed as teller at the Maple branch of the Bank of Commerce. The team, which represented Maple in the Hill league, is seeking an entry in the O.R.H.A. intermediate B playdowns under the name of King City but the request, we believe, is too late and in any case ice is uncertain.

The regular schedule netted the four teams in the Richmond Hill bush league only, \$35 apiece, hardly enough to pay for the sticks. The top two teams will cut a bigger, juicier melon, it is true, but all four teams are away below last year's figures. Combines which feature Frank Carr, Bruce Stephens, George Stark, Denny Cosgrove and softballers Norm and Bill Bowen and Ken Darling among others, have been declared winners of the Richmond Hill league

(Continued from Page 8)  
and they are ready to try their  
luck with Newmarket camp  
and the Aurora winners. It'll all  
depend on the ice situation but  
those who have seen the Com-  
bines go, figure they are capable  
of extending even the camp. A  
challenge has been filed by  
League Secretary Jack Warwick.  
Ken House, who won the D.F.  
C. overseas and played goal for  
Richmond Hill juniors, Maple,  
King City and other district  
teams, is now located with the  
Bank of Commerce at Waterloo.  
Joe Iannarelli and Teddy Lister,  
who turned up at Brampton  
camp in the winter of '43 after  
Brampton had been the dormat  
for the league and sparked Bing  
Caswell's team to the group  
championship and the following  
year played for Brampton Bul-  
lets, winners of the Canadian  
Armored Corps league, will be  
seen in action down south short-  
ly as members of the McIntyre  
N.O.H.A. senior champions which  
meet Hamilton Tigers for the  
right to represent Ontario in the  
Allen Cup play downs. Both  
boys were going strong all year  
and they won't suffer by com-  
parison with the best down in  
these parts.

Alex. Brownlee, who guards  
the goal for the northerners, was  
formerly with Gravenhurst and  
played against both Aurora and  
Sutton intermediates in the early  
30's before going to Port Col-  
borne for a stretch. Sparky  
Vail, ex-Newmarket Redman, if  
he comes south this year will do  
so in the role of a spectator or  
official rather than a player.  
Sparky never missed a year on  
the ice lanes from '33 onwards  
until this year when he decided  
the old legs weren't all they  
might be and he switched over  
to refereeing. Should make a  
good arbiter too for he knows all  
the tricks. Another former  
Redman, speedboy of the domi-  
nation champs, Pep Kelly, has deli-  
vered a championship team in  
his first year as coach. Regis  
handled the C.P.R. entry who  
took the North Bay City champi-  
onship with something to spare  
this winter.

Sutton Greenshirts eliminated  
Bolton in the recent O.R.H.A.  
series and at the weekend were  
awaiting word to meet one of  
the teams from western Ontario  
in a semi-final series. Lindsay  
Juniors featuring ex-Aurorans  
Clarke and Edward Trent, have  
dropped from the picture at the  
hands of Whithy which has in  
turn eliminated Wid Scott, form-  
er Aurora junior, and his Grav-  
enhurst kids. Oakville, Port  
Colborne and Whithy look like  
a toss up in the O.H.A. Junior C  
series. Oakville has moved to  
Grimsby and artificial ice for  
the balance of the year.

NORTH GWILLIMBURY  
COUNCIL PURCHASES  
DIESEL SNOW PLOW

North Gwillimbury township  
councillors have been quite busy  
during the last two weeks. The  
main item of business has been  
the purchase of a heavy motor  
grader equipped with snow plow  
and wing. Six tenders for the  
equipment were received. On  
Feb. 18, a special meeting was  
held to open and consider the  
tenders also to take up the mat-  
ter of the purchase with Mr.  
Leedgate of the department of  
highways who was present.  
Three salesmen from companies  
tendering were on hand.

All the council attended the  
Good Roads convention in Tor-  
onto on Feb. 26 to 27 where  
council members were able to in-  
spect some of the motor graders  
and were fortunate enough to  
find one excellent machine ready  
for sale and prompt delivery.  
The council worked fast to ac-  
quire this machine for North  
Gwillimbury.

On Thursday, Feb. 28, some of  
the council attended a hearing  
held at Delhaven by an official  
of the municipal board in con-  
nection with a by-law passed  
making the Crescent Beach area  
a restricted residential district.  
Saturday, March 2, saw another  
special meeting to confirm the  
purchase of the motor grader.  
The machine purchased is a  
Galion Model 102 powered by a  
diesel engine. This is a very  
heavy, sturdy machine up to date  
in design and the council be-  
lieves it is just what the muni-  
cipality has been needing for  
some years.

Monday, March 4, was the date  
for the regular meeting of the  
council. It was found that snow  
handling costs have been mount-  
ing the last few weeks but the  
figures are well below those of  
last year at the same date and  
the plow has been giving good  
service.

In the matter of recognition of  
those who served in the armed  
forces, the council has been col-  
lecting information and ideas. A  
committee representing all parts  
of the township has been formed  
to act with the council and get  
some action underway. Percy  
Mahoney was appointed to act as  
assessor, a post held by Mr. Rob-  
ert Davidson for the past two  
years. The material for three  
new bridges in the township had  
been purchased by the council at  
a previous meeting. Construction  
of these bridges has been held up  
by war conditions. The depart-  
ment of highways advised that  
these bridges should be longer  
than the material purchased pro-  
vided for, making it necessary to

## SHARON

The World Day of Prayer,  
held last Friday in St. James'  
church under the leadership of  
Mrs. Hugh Shannon and Mrs.  
Austin Haines, was well attend-  
ed. Sharon United, Queensville  
United, and St. James' Anglican  
churches combined to make this  
hour of prayer a distinct success.  
The theme, "The things that  
make for our peace," was well  
carried out in an address given  
by Mrs. Haines. Mrs. S. Thomp-  
son and Mrs. Fred Weddel were  
soloists.

The offering goes to the Inter-  
Board Committee of the Women's  
Missionary Societies of  
Canada for distribution where  
needed throughout the world.

The regular monthly meeting  
of the Women's Association of  
the United church will be held  
on Thursday, March 21, at  
Sharon hall at 10.30 a.m., pot-  
luck dinner. Will the ladies  
please come early as there is a  
quilt to be done.

Mr. and Mrs. Harry Collins,  
Toronto, spent the weekend with  
Mr. and Mrs. E. F. Ramsay.  
Miss Kathleen Jones spent the  
weekend with her parents, Mr.  
and Mrs. C. Jones.

700-LB. SAFE STOLEN  
FROM TWP. OFFICE

Thieves removed a 700-lb. safe  
from the township office Friday  
night and looted it of \$225.  
Constable C. Morton, North  
Gwillimbury police said: "The  
men forced an entrance into the  
township office through a rear  
window, opened the front door  
and walked out with the safe.  
There must have been a large  
gang at work because a 700-lb.  
safe is no easy matter to handle,"  
he pointed out.

"Residents told me today after  
the theft had been discovered  
that a light red truck was stand-  
ing in front of the office about  
2 a.m.," he said.

"They carried the safe three  
miles to a sideway where they  
removed the safe, threw it into  
a ditch and forced the safe door  
open with a crowbar."

Mrs. Charlie Anderson, Sutton  
West, spent Thursday visiting  
friends in the village.  
Mr. and Mrs. Wm. Davison and

Mrs. Elta Sutherland and son,  
Stan Earle, Mrs. Brock Curry  
with her son, John, and wife, all  
of Toronto, visited Mr. and Mrs.  
Harry Leppard on Sunday.

Mr. and Mrs. Arnold Duke,  
Oshawa, were guests Saturday of  
Mrs. J. Linstead.  
Mrs. Thos. Mann and Munro  
Mann, Detroit, Mich., motored  
over last Thursday and visited  
friends in Sutton and Keswick,  
returning to Detroit on Sunday.

Mrs. R. Stork, who has been  
on the sick list, is improving.

Miss Carrie Marritt was taken  
suddenly ill last Saturday and  
is under the care of Dr. Edwards,  
Newmarket, and two nurses.
